

SYMBOLS KEY

How to use these symbols

This key is designed to enable you to see, at-a-glance, important information about our courses and products.

On any product page, look for the icons that appear in the title bar that depict the delivery style, language and available levels for a course, as well as the expected range you can achieve on the GSE and CEFR.

Measurement system

The range a product covers in the **Common European Framework of Reference** (for languages).

The range a product covers in the **Global Scale of English**.
*GSE not applicable to Primary courses

The number indicates **how many levels** a product has.

GRAMMAR

Type of product

Print: The course uses printed materials only, there are **no digital** assets.

Digital: The course features digital components only, such as **eText**, **ActiveTeach** or **MyEnglishLab**.

Blended: The course is available in print but has supporting digital elements such as **eText**, **ActiveTeach** and **MyEnglishLab**.

Languages

The product is available in **American English**.

The product is available in **British English**.

The product is available in **International English**.

Grammar correlation chart

This chart shows where each of our products fit with the CEFR. This will help you to choose the course which best fits your students' needs.

AZAR-HAGEN GRAMMAR SERIES

Betty S. Azar and Stacy A. Hagen

Clear, direct and comprehensive, the Azar-Hagen Grammar series uses a grammar-based teaching approach, blending grammar methodology with communicative methods. Grammar is used as the starting point for the development of all language skills — speaking, listening, reading and writing. The Azar-Hagen Grammar series describes how English works and uses grammar as a springboard for interactive, communicative practice opportunities.

4th Edition

New MyEnglishLab (Basic and Fundamentals) offers online instruction through a dynamic combination of interactive exercises, animation, readings, audio and voice recordings with gradebook.

“The explanations of the grammar points are detailed and extremely clear. I love that my students have the opportunity to learn new words as they practice grammar. Students can use their books as a reference for years after their grammar class because of its completeness.”

Sarah Moyer, California State University, Long Beach, CA

“By teaching grammar, I don't mean teaching rigid 'rules'. I mean helping students see how English works and giving them lots of opportunities to experiment with their new language and gain confidence. A grammar base leads to interviews, round-robin stories, information sharing, games, small group discussions — the list goes on. Grammar becomes a springboard to successful communication experiences, the building blocks of second language acquisition.

It's important to note that grammar-based and communicative approaches are not mutually exclusive. Indeed, just the opposite is true. They fit hand in glove. A great deal of research shows that combining a grammar focus with communicative methods accelerates learning.”

Betty Azar, speaks grammatically

NEXT GENERATION GRAMMAR

Level 1: Christine Cavage, Steve Jones

Level 2: David Bohlke, Arlen Gargagliano

Level 3: Pamela Vittorio, Jennifer Recio Lebedev

Level 4: Sigrun Biesenbach-Lucas, Ph.D, Donette Brantner-Artenie

Series Editor: David Bohlke

Truly for a new generation – one that's busy, mobile and demanding.

Next Generation Grammar is a blended (print and online) grammar program that helps prepare students to communicate accurately and effectively in both writing and speaking. Together with digital resources MyEnglishLab and ActiveTeach, Next Generation Grammar offers a 21st century learning experience that engages learners and instructors alike.

- Make the most of your teaching through a blend of Student Book (available in print and as an eText) and online content. so you can spend more time on meaningful communicative work.
- MyEnglishLab, the online component, offers a wealth of dynamic multimedia content to keep learners focused and engaged.
- Includes interactive activities, grammar reference material, audio files, test material, and video reviews.
- Extensive assessment suite for targeted instruction.
- Interactive assessments (including timely feedback, goal tracking, and achievement reports) allow learners to see which areas they have mastered and which require more review.
- ActiveTeach is a powerful electronic resource that provides the perfect solution for seamless lesson planning and exciting whole-class teaching.

MYGRAMMARLAB

Diane Hall, Mark Foley

Think all grammar courses are the same? Think again...

MyGrammarLab teaches grammar through a unique blend of book, online resources and a mobile app – offering every learner of English the opportunity to study grammar in the way that best suits their needs.

The MyGrammarLab series takes learners from elementary to advanced grammar, each level benchmarked against the Common European Framework, and provides grammar practice for internationally recognised exams.

With its learning hints and tips, immediate feedback, automatic grading and grammar tutor videos, this course is ideal for self-study, as well as being a great grammar reference and practice companion to your English language course.

ADVANCED GRAMMAR

Helen Hoyt Schmidt

Advanced Grammar is a new course that prepares English language learners for the challenges of academic work. Its unique approach helps students master written grammar with the use of authentic academic sources and prepares them to read extensive academic texts, write and present using academic language, and process complex academic content. Advanced Grammar focuses on the academic forms and uses of grammatical structures without oversimplifying either the content or the grammar structures.

For access to the online Teacher's Manual with Assessment contact your local Pearson representative.

FOCUS ON GRAMMAR

4th Edition

Irene E. Schoenberg, Jay Maurer, Majorie Fuchs, Margaret Bonner, Miriam Westheimer

This contextualized and integrated four skills approach supports accuracy in grammar and fluency.

Focus on Grammar is the most popular contextualized grammar series worldwide. Its unique four-step approach takes students from context to communication — blending content, reading, writing, listening, speaking, and critical thinking in a complete program — preparing them to understand and use English more effectively.

"Focus on Grammar helps EFL students... to acquire grammar skills to put into use, instead of just answering test/exam questions. Also it helps students recognize knowing the rules is not the goal of learning grammar."

Seiko Oguri, Chubu University, Language Centre, Japan
